Capistrano-Hayes Street, City Hall
Cagayan de Oro City, Misamis Oriental

Subject: Application for Computer Programmer I (Plantilla Item No. 17)

Dear Ms. Lumbatan:

I am writing to express my interest in applying for the position of **Computer Programmer I (Plantilla Item No. 17)** under the Office of the City Librarian, as advertised on the Civil Service Commission Job Portal.

I am a Bachelor of Science in Information Technology graduate with Career Service Professional Eligibility and practical experience in web development. In my current role as a WordPress Developer, I work on website development, design implementation, troubleshooting technical issues, and improving website functionality. These responsibilities have strengthened my technical skills, problem-solving abilities, attention to detail, and capacity to learn and adapt to new technologies.

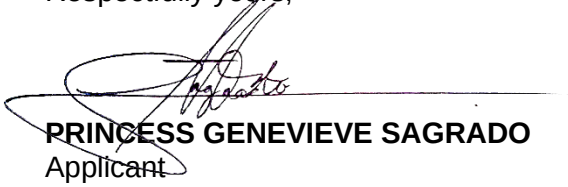
To further demonstrate my technical capabilities, I have an online portfolio showcasing selected web development projects and my practical experience. You may view my portfolio at **https://portfolio-genes.vercel.app**.

I believe that my educational background and hands-on experience in information technology would allow me to contribute to the development, maintenance, and improvement of digital systems and technology-based services within the Office of the City Librarian. I am eager to apply my skills in support of the office's operations and help enhance access to information and public services through technology.

Attached are the required documents for your review and consideration. I would appreciate the opportunity to be considered for this position and to further discuss how my qualifications may contribute to your office.

Thank you for your time and consideration.

Respectfully yours,



PRINCESS GENEVIEVE SAGRADO
Applicant
